- ✓ Small, agile team — rapid mobilization for short-notice task orders
- ✓ Eligible for simplified acquisition and direct award contracting
- ✓ Local Shreveport presence — fast response to north Louisiana agencies
- ✓ Flexible, scalable delivery matched to agency workload and surge requirements

COMPANY OVERVIEW

Parasol Global Solutions (PGS) is a Louisiana-based small business providing general support services to federal agencies, school boards, and municipalities. Operating as a division of John Charles Investments LLC, PGS delivers flexible, cost-effective solutions under simplified acquisition thresholds — positioned for direct award and short-notice task orders.

With dual Louisiana Economic Development certifications and active SAM registration, PGS is purpose-built for state, local, and federal government contracting with the agility to scale.
